

## Beepee Coatings Pvt. Ltd. bags gold in ICC Environment Excellence Award 2020

Berger Paints India is pleased to announce that Beepee Coating Pvt. Ltd., its wholly-owned subsidiary firm, has bagged gold in the Manufacturing & Engineering - Small Enterprise Category in the 14th ICC Environment Excellence Award 2020.

The Environment Excellence Award is one of the most coveted recognition that is bestowed to an organisation for excellent environment management by the Indian Chamber of Commerce (ICC). It acknowledges their commitment towards the social well-being of the people and the planet. This event offers a great platform to spread environmental awareness as well as motivate organisations towards sustainable economic development.

The jury panel includes eminent business leaders, environment professionals, management experts, economists, judges and other reputed personalities and is chaired by Mr. Aloke Mookherjea. The award is divided into three categories namely Large Business Organisations (LBO), Medium Business Organisations (MBO) and Small Business Organisations (SBO).

We, at Berger Paints India, have always focussed on adopting environment-friendly practices for minimal impact on the community. This prestigious award bears testimony to our consistent efforts towards environmental innovation for a greener tomorrow.

Berger Paints India is the second largest paints company in India and has established itself as a trusted name in the Indian paint industry.
