Product Description

BreatheEasy Safe 24 is an alcohol free, non-toxic, environment friendly multi surface protectant spray that gives an assured 24 hour protection to surfaces from bacteria and viruses including Covid-19 virus. The product is manufactured under technical license from IIT Guwahati. It has advanced Nanosilver ion technology which forms a protective coating on the surfaces and keeps it safe for full day. It can be used on various hard and soft surfaces which are touched repeatedly like furniture, sofa, door knobs, lift buttons, car interiors etc.

Ingredients:

Silver Nanoparticles, Fragrance, Aqua, Propellant
